# 2012 FIA CENTRAL EUROPEAN ZONE TROPHIES

## Art.1 General Conditions

### 1.1 General Provisions

According to article 23-B-4 of the FIA Statutes the World Council (for Karting the CIK/FIA) accepted a Central European Zone. The Zone will be made up of the following countries: Austria, Bosnia-Herzegovina, Croatia, Czech Republic, Hungary, Italy, Macedonia, Montenegro, Poland, Serbia, Slovenia and Slovakia (to be mentioned as Zone-Countries).

In 2012 there will be Zone-Trophies in Autocross, Circuit Racing (also for historic cars), Endurance, Cross-Country, Hill-Climb (also for historic cars), Karting, Rally (also for historic cars), Rallycross and Slalom, reserved for drivers holding a valid national or international licence issued by one of the ASNs belonging to the zone. The starting permission for abroad is not obligatory.

The dates of the Zone-events are listed in art. 13. For each discipline a maximum of 12 events will be listed in the calendar (one per member-ASN; if there are less than 12 events entered for a Zone-Trophy, the Zone-board will decide upon the remaining events).

The number of events counting to the Trophy will be fixed by the board of the FIA-CEZ-countries.

Changes of event-dates must be published at least 60 days before the start of the referring event, otherwise the event will be deleted from the Trophy-calendar.

The official calendar will be available at the ASN-offices of the Zone-countries.

### 1.2 Regulations/Officials

All zone-trophies must be organised in conformity with the specifications listed in the International Sporting Code and its Appendices, the national Sporting Codes of the ASN's where the events will be organised, the present regulations for the FIA-Central European Zone-Trophy and the supplementary regulations of the event concerned. If national laws do not authorise all classes of a Trophy to be run in an event, this must be clearly stated in the supplementary regulations.

The Officials are appointed by the ASN of the organiser; at least one of the Stewards should be taken out of one of the other CEZ-ASNs (with exception of Slalom-sport, where only one Steward is obligatory). In order to support foreign competitors a Crews' Relations Officer speaking English or German language should be appointed in the Supplementary Regulations.

### 1.3 Supplementary Regulations

The regulations should be made up in English or German, plus the national language where appropriate. Copies of the definitive regulations must be sent by email to the secretariat of the Zone ([osk@oeamtc.at](mailto:osk@oeamtc.at)) at least 45 days before the event is due to start to be published on the homepage [www.cez-motorsport.com](http://www.cez-motorsport.com).

If the organiser is not able to run all classes, groups, categories of the respect. Zone-Trophy at his event, this must be clearly stated in the S.R. Also the minimum-number of entries for the classes, groups, categories – if there is one - for the events must be stated in the S.R.

### 1.4 List of seeded Drivers

The entries of drivers entered on 1st, 2nd or 3rd place on a national priority list, must not be rejected.

### 1.5 Entries

Only drivers who are holders of national or international licences of one of the ASNs of the countries of the zone may enter. For the Trophy-results only drivers with a minimum-age of 16 years will be respected (age-limits for the participants in the Autocross-Junior-Buggy-Trophy and the Karting-Trophy are defined in the Trophy-rules for these disciplines). If drivers younger than 16 years are allowed to participate in Trophy-events - without points-allocation for the Trophy-results – will be stated in the S. R. of these events.

In 2012 also licence holders from Albania (Automobile Club Albania/ACA) may enter the Zone-Trophies. Entries should be submitted to the organiser of the given event according to the prescriptions of the FIA-International Sporting Regulations. The Zone-Countries are free to make mutual agreements concerning entry fees.

For all entries to CEZ-Trophy-events the following applies:

The classification of participants in Zone events for the Zone-Trophies must neither depend on any additional entries nor additional entry-fees. An entrant/driver sending the entry-form to an organiser or ASN declares himself ready to take part in this event even if he has not paid the entry-fee in time. If

such an entrant/ driver will not present himself at the verification of the event without excuse in written form before, he will have to pay this entry-fee.

## 1.6 Attribution of Points and Classification

In each discipline, group or category of the Zone-Trophy, points are awarded in accordance with the scale as stated under the rule, chapter "Classifications" for each Trophy. All results will be counted; no results will be retained from the final list.

Only those drivers who have taken part in at least one event in the respective discipline in a foreign country will be classified at the final results of the Zone-Trophy. „Taking part“ means to be at the start of at least one race (heat) of the event in question (for Autocross and Rallycross this means to participate in the official practise).

Further regulations see rules for each Zone-Trophy.

Should there be less than 3 drivers classified in the final result of a group or category of a Zone-Trophy, this Trophy will be declared null and void.

- 2) the value of the places obtained in the classifications of the qualifying events in which everyone of them has participated.
